The Honorable Board of Supervisors

Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO ACCEPT WORKFORCE INVESTMENT ACT (WIA) FUNDS AND
EXECUTE CONTRACTS FOR THE FISCAL YEAR (FY) 2009-2010
WIA RAPID RESPONSE (RR) PROGRAM
(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)**

SUBJECT

This Board Letter requests approval for Community and Senior Services (CSS) to take the following actions: 1) Authorize the Director or designee of CSS to accept \$1,896,000 in WIA funding for the Rapid Response (RR) Program for FY 2009-2010 and future years from State Employment Development Department (EDD); 2) negotiate and execute contracts with three agencies to provide RR services; and 3) negotiate and execute contract amendments to extend the term of the contracts and increase or decrease contract amounts, contingent upon contractor performance and availability of funding. The RR program provides services to employers and their impacted employees affected by downsizings or layoffs by providing planning meetings, assessing layoff aversions strategies and conducting orientations about reemployment services available.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of CSS, or designee, to accept an estimated \$1,896,000 for FY 2009-2010 for WIA RR funding from the State EDD and execute all required documents with EDD for the provision of RR services.

2. Authorize the Director of CSS, or designee, to accept future two-year WIA RR funds from EDD for delivery of WIA RR services effective July 1, 2010 through June 30, 2012.
3. Delegate authority to the Director of CSS, or designee, to negotiate and execute contracts with the three agencies listed on Attachment A, in substantially similar form to Attachment B, after County Counsel approval as to form, effective July 1, 2009 through June 30, 2012. The contract costs are fully financed using WIA RR and WIA RR ARRA funding.
4. Delegate authority to the Director of CSS, or designee, to negotiate and execute contract amendments to extend the term of the contracts for up to one year and increase or decrease contract amounts, contingent on contractor performance and availability of funding, after County Counsel approval as to form, provided that approvals of County Counsel and Chief Executive Officer (CEO) are obtained prior to any such amendment and the Director of CSS confirms in writing to the Board of Supervisors and the CEO within 30 days after execution that such amendments have been executed.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The County of Los Angeles has been designated by the State as a Local Workforce Investment Area (LWIA) for the purpose of administering WIA. In addition to the WIA RR funding, ARRA provides significant funding for WIA to support employment and training services as part of a comprehensive program to stimulate the U.S. economy.

The recommended actions will provide CSS with the authority to accept FY 2009-2010 and future years' WIA RR funding and WIA RR ARRA funding and execute contracts for the provision of services for the WIA RR program through June 30, 2012 with one 12-month option to extend.

The recommended actions will provide ongoing RR services to respond to a permanent closure/mass layoff at a plant, facility, or enterprise or a natural or other disaster, which results in a mass job dislocation.

Implementation of Strategic Plan Goals

The recommended actions are consistent with principles of the Countywide Strategic Plan goals of *Children, Family and Adult Well-Being*.

Performance Measures

Performance measures for the RR program are aligned with the County *Performance Counts!* Initiative. Performance outcomes to be tracked are participant ratings of orientations conducted and the achievement of a timely response (within 24 hours) to those businesses/organizations in need of RR services.

FISCAL IMPACT/FINANCING

For FY 2009-2010, the estimated cost of the WIA RR Program is \$682,000 in baseline funding and \$1,214,000 in WIA RR ARRA funding, for a total of \$1,896,000. Of this, \$1,217,000 is being distributed to contractors, with the remainder being used for program coordination and administrative costs. There is no impact on the County general fund, as the WIA RR Program is fully financed by WIA RR funding. Funding for this program has been included in the Department's FY 2009-2010 Proposed Budget.

FACTS AND PROVISIONAL/LEGAL REQUIREMENTS

The RR program is designed to provide workers facing layoff due to business closures and mass layoff the RR services that are required under WIA. These required services include: 1) immediate and on-site contact with the employer, organized labor representatives, and the local community; 2) information and access to unemployment compensation benefits, comprehensive One-Stop system services, and employment and training activities, including information on Trade Adjustment Assistance (TAA) program and the North America Fair Trade Agreement (NAFTA) program; 3) guidance and assistance in establishing a "labor-management committee" that is voluntarily agreed to by labor and management, or a "workforce transition committee" comprised of representatives of the employer, the affected workers, and community representatives; 4) emergency rapid response assistance adapted to the particular closing, layoff, or disaster; and 5) assistance to a company in securing additional State and federal assistance in response to large or unique dislocation events.

Los Angeles County is the State sub-grantee for the RR program. Los Angeles County is responsible for providing RR services to employers and their impacted employees that meet the provisions of the Worker Adjustment and Retraining Notification (WARN) Act within the LWIA. The California WARN Act mandates that companies/organizations notify State/local elected officials when downsizing or plant closures result in the displacement of 75 or more employees. The intent of the law is to serve businesses and allow jurisdictions to respond and help mitigate the impact. CSS will continue to provide services to address their needs, in compliance with new State regulations, through allocation of RR funds. Los Angeles County intends to meet these obligations by contracting with the recommended, experienced RR service providers.

In addition, in accordance with ARRA funding requirements, RR services will include layoff aversion services where Work Source Centers partner with the local and regional economic development corporations to address the needs of companies which experience a downturn, as well as those that consider leaving the State.

CONTRACTING PROCESS

On February 13, 2009, CSS released a WIA RR Request for Proposals (RFP) to procure program services for RR services for up to three years to assist eligible groups of dislocated workers through the use of federal WIA funding. The solicitation was consistent with federal competitive procurement regulations for WIA and County contracting policies.

The solicitation was open to private for-profit and non-profit organizations, public entities, and/or consortia of entities. Individuals and other Workforce Investment Boards were not eligible. The RFP was advertised in the Los Angeles Times, HOY and the Los Angeles Watts Times. Three proposals were received in response to the RFP and results were based on the evaluation of the proposals using the averaging method of scoring. All three proposers were recommended for contract award to provide RR services Countywide. No proposer qualified as a small business and/or minority and women-owned business enterprise.

The County will utilize the agencies recommended by this Board Letter to deliver RR services funded by ARRA.

The Los Angeles Workforce Investment Board (WIB) has approved these recommendations.

Monitoring Requirement

Beginning with FY 2003-2004, CSS contracted with the Auditor-Controller's office to conduct fiscal and contract compliance monitoring of all of its WIA contractors. CSS is responsible for ensuring, through its resolution process, that the reported monitoring findings are resolved and training is provided to our contractors, if necessary, and/or program policies are developed.

IMPACT ON CURRENT SERVICES OR PROJECTS

The recommended actions will allow for the continued provision of RR services in FY 2009-2010, in compliance with new State regulations, to assist businesses in distress and ensure retention of private sector jobs within Los Angeles County.

CONCLUSION

Upon Board approval, please mail one copy of the adopted Board Letter and its attachments to Ms. Sandra Mitchell, CSS, 3175 West Sixth Street, Room 307, Los Angeles, CA 90020. Ms. Mitchell may be reached at (213) 738-2641.

Respectfully submitted,

8.9.13 To exercise the above right, no later than one-hundred forty (140) days after termination of the Contract or notification of the CONTRACTOR'S dissolution, COUNTY will issue specific written disposition instructions to CONTRACTOR.

8.9.14 CONTRACTOR shall use property purchased with funds from this Contract, or acquired by CONTRACTOR under any predecessor agreement for the same purpose, for the purpose for which it was intended under the Contract. When no longer needed for that use, CONTRACTOR shall use it, if needed, and with written approval of COUNTY for other purposes in this order:

Failure of CONTRACTOR to maintain compliance with the requirements set forth in Section 9.0, sub-paragraph 9.7, "Child Support Compliance Program", shall constitute default under this Contract. Without limiting the rights and remedies available to COUNTY under any other provision of this Contract, failure of CONTRACTOR to cure such default within ninety (90) calendar days of written notice shall be grounds upon which COUNTY may terminate this Contract pursuant to Section 9.0, subparagraph 9.67 "Termination for CONTRACTOR'S Default", and pursue debarment of CONTRACTOR, pursuant to County Code Chapter 2.202.

9.9.1 Jury Service Program:

This Contract is subject to the provisions of the COUNTY's ordinance entitled CONTRACTOR Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as *Exhibit G* and incorporated by reference into and made a part of this Contract.

9.9.2 Written Employee Jury Service Policy.

1. Unless the CONTRACTOR has demonstrated to the COUNTY's satisfaction either that the CONTRACTOR is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the CONTRACTOR qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from the CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the CONTRACTOR or that the CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "CONTRACTOR" means a person, partnership, corporation or other entity which has a

contract with the COUNTY or a subcontract with a COUNTY CONTRACTOR and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more COUNTY contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the CONTRACTOR. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the COUNTY, or 2) CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the CONTRACTOR uses any subcontractor to perform services for the COUNTY under the Contract, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the CONTRACTOR is not required to comply with the Jury Service Program when the Contract commences, the CONTRACTOR shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the CONTRACTOR shall immediately notify the COUNTY if the CONTRACTOR at any time either comes within the Jury Service Program's definition of "CONTRACTOR" or if the CONTRACTOR no longer qualifies for an exception to the Jury Service Program. In either event, the CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The COUNTY may also require, at any time

during the Contract and at its sole discretion, that the CONTRACTOR demonstrate to the COUNTY's satisfaction that the CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that the CONTRACTOR continues to qualify for an exception to the Program.

4. CONTRACTOR's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, COUNTY may, in its sole discretion, terminate the Contract and/or bar the CONTRACTOR from the award of future COUNTY contracts for a period of time consistent with the seriousness of the breach.

9.10 CONDUCT OF PROGRAM

Any legal defense pursuant to CONTRACTOR's indemnification obligations under this sub-paragraph 9.11, shall be conducted CONTRACTOR and performed by counsel selected by CONTRACTOR and approved by COUNTY. Notwithstanding the preceding sentence, COUNTY shall have the right to participate in any such defense at its sole costs and expense, except that in the event CONTRACTOR fails to provide COUNTY with a full and adequate defense, as determined by COUNTY in its sole judgment, COUNTY shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from CONTRACTOR for all such costs and expenses incurred by COUNTY in doing so. CONTRACTOR shall not have the right to enter into any settlement, agree to injunction, or make any admission, in each case, on behalf of COUNTY without COUNTY's prior written approval.

- 9.11.8 If CONTRACTOR enters into an agreement with a third party to provide WIA services, the CONTRACTOR agrees to include these data and security and confidentiality requirements in the agreement with that third party. In no event shall said information be disclosed to any individual outside of that third party's

authorized staff, subcontractor(s), service providers, or employees.

9.12 CONFLICT OF INTEREST

9.12.1 No COUNTY employee whose position with the COUNTY enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the CONTRACTOR or have any other direct or indirect financial interest in this Contract. No officer or employee of the CONTRACTOR who may financially benefit from the performance of work hereunder shall in any way participate in the COUNTY's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the COUNTY's approval or ongoing evaluation of such work.

The CONTRACTOR and/or the CONTRACTOR's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the CONTRACTOR should be debarred, and, if so, the appropriate length of time of the debarment. The CONTRACTOR and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

While COUNTY reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Opportunity Commission or the Federal Equal Employment Opportunity Commission that CONTRACTOR has violated Federal or State anti-discrimination

Notwithstanding the above, CONTRACTOR and COUNTY agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." COUNTY shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is

- 9.57.2 In the event COUNTY is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid or proposal marked “trade secret,” “confidential,” or “proprietary,” CONTRACTOR agrees to defend and indemnify COUNTY from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

9.58 PUBLICITY

- 9.58.1 CONTRACTOR shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing CONTRACTOR'S need to identify its services and related clients to sustain itself, COUNTY shall not inhibit CONTRACTOR from publishing its role under this Contract within the following conditions:

9.58.1.1 CONTRACTOR shall develop all publicity material in a professional manner; and

9.58.1.2 During the course of performance of this Contract, the CONTRACTOR, its employees, agents, and subcontractor shall not, and shall not authorize others to, publish or disseminate any commercial advertisements, press releases, opinions, feature articles, or other materials using the name of

9.59.1 CONTRACTOR shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with Generally Accepted Accounting Principles and as otherwise required under this Contract. CONTRACTOR shall also maintain accurate and complete employment and other records relating to its performance of this Contract.

9.65 SUBCONTRACTING

- 9.65.1 The requirements of this Contract may not be subcontracted by CONTRACTOR **without the advance approval of COUNTY**. CONTRACTOR must receive from the COUNTY CSS Director, or designee, written approval before entering into a subcontract with a subcontractor. Any attempt by CONTRACTOR to subcontract without the prior consent of COUNTY may be deemed a material breach of this Contract.
- 9.65.2 If CONTRACTOR desires to subcontract, CONTRACTOR shall provide the following information promptly at COUNTY'S request:
- 9.65.2.1 A description of the work to be performed by the subcontractor;

- 9.65.4 CONTRACTOR shall remain fully responsible for all performance and fiscal monitoring required of it under this Contract, including those that CONTRACTOR has determined

to subcontract, notwithstanding COUNTY'S approval of CONTRACTOR'S proposed subcontract.

9.65.5 COUNTY'S consent to subcontract shall not waive COUNTY'S right to prior and continuing approval by CMM of any and all personnel, including subcontractor employees, providing services under this Contract. CONTRACTOR is responsible to notify its subcontractor of this COUNTY right.

9.65.6 CONTRACTOR shall obtain the following items (contained in sub-paragraphs 9.65.6.1 through 9.65.6.3 below) from each subcontractor or subcontractor employee before any contractor employee may perform any work under any subcontract to this Contract. CONTRACTOR shall maintain and make available upon request of CMM, CCM, or their designee all the following documents:

be identical to CONTRACTOR'S Tax Identification Number.

- 9.65.7 After CMM's approval, CONTRACTOR shall provide CMM with copies of all executed subcontracts.
- 9.65.8 No subcontract shall alter in any way any legal responsibility of CONTRACTOR to COUNTY. CONTRACTOR shall remain responsible for any and all performance required of it under this Contract, including, but not limited to, the obligation to properly supervise, coordinate, and perform all work required hereunder.
- 9.65.9 Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Contract.
- 9.65.10 CONTRACTOR shall be solely liable and accountable for any and all payments and other compensation to all subcontractors engaged hereunder and their officers, employees, and agents. COUNTY shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

COUNTY may, by giving notice, suspend all or part of the Contract for CONTRACTOR'S failure to comply with the terms and conditions of this Contract. The Notice of Suspension, which shall be effective upon the date of posting, shall set forth the conditions of non-compliance and the period provided for Corrective Action Plan. Within ten (10) working days from the date of the Notice of Suspension, CONTRACTOR shall reply in

writing, setting forth the Corrective Action Plan which will be undertaken, subject to COUNTY'S approval in writing. Failure to reply in accordance with this Section may result in termination by COUNTY of all or part of this Contract. Failure by CONTRACTOR to comply with the approved Corrective Action Plan may result in the suspension of payments or termination by COUNTY of all or part of this Contract. If CONTRACTOR fails to comply with the approved Plan, COUNTY will send a notice/letter to CONTRACTOR specifying the remedy for non-compliance with the Corrective Action Plan.

9.67 TERMINATION FOR CONTRACTOR'S DEFAULT

9.67.1 COUNTY may, by written notice to CONTRACTOR, terminate the whole or any part of this Contract, if, in the judgment of COUNTY'S CSS Contract Management Manager:

9.67.1.1 CONTRACTOR has materially breached this Contract; or

9.67.1.2 CONTRACTOR fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract; or

9.67.1.3 CONTRACTOR fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as COUNTY may authorize in writing) after receipt of written notice from COUNTY specifying such failure.

- 9.67.2 In the event COUNTY terminates this Contract in whole or in part as provided by sub-paragraph 9.67.1, COUNTY may procure, upon such terms and in such manner as COUNTY may deem appropriate, services similar to those so terminated. CONTRACTOR shall be liable to COUNTY for any and all excess cost incurred by COUNTY, as determined by COUNTY, for such similar goods and services. CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this Section
- 9.67.3 Except with respect to defaults of any subcontractor, CONTRACTOR shall not be liable for any such excess costs of the type identified in Section 9.0, sub-paragraph 31.0 Force Majeure, if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of CONTRACTOR. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of COUNTY in either its sovereign capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of CONTRACTOR. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both CONTRACTOR and subcontractor, and without the fault or negligence of either of them, CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to meet the

required performance schedule. As used in this Subsection, the terms “subcontractor” and “subcontractors” mean subcontractor(s) at any tier.

9.67.4 If, after COUNTY has given notice of termination under the provisions of this Section, it is determined by COUNTY that CONTRACTOR was not in default under the provisions of this sub-paragraph or that the default was excusable under the provisions of sub-paragraph 9.68.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 9.0, sub-paragraph 9.68, Termination for Convenience.

9.67.5 In the event COUNTY terminates this Contract in its entirety due to CONTRACTOR'S default as provided in sub-paragraph 9.67, CONTRACTOR and COUNTY agree that COUNTY will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, COUNTY'S costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, CONTRACTOR and COUNTY agree that COUNTY shall, at its sole option and in lieu of the provisions of sub-section 9.67.2, be entitled to liquidated damages from CONTRACTOR, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum as equitable compensation to COUNTY for such actual damages. This amount of liquidated damages shall be either paid by CONTRACTOR to COUNTY by cash payment upon demand or, at the sole discretion of COUNTY, deducted from any amounts

due to CONTRACTOR by COUNTY, whether under this Contract or otherwise.

9.67.5.1 These damages shall not be understood as a penalty and shall be in addition to any credits, which COUNTY is otherwise entitled to under this Contract, and CONTRACTOR'S payment of these liquidated damages shall not in any way change, or affect the provisions of Section 9.0, sub-paragraph 9.34, Indemnification.

9.67.6 The rights and remedies of COUNTY provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.68 TERMINATION FOR CONVENIENCE

9.68.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by COUNTY, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by Notice of Termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after the notice is sent

9.68.2 After receipt of a notice of termination and except as otherwise directed by the COUNTY, the CONTRACTOR shall:

9.68.2.1 Stop work under this Contract on the date and to the extent specified in such notice; and

9.68.2.2 Complete performances of such part of the work as shall not have been terminated by such notice; and

9.68.2.3 Adhere to COUNTY'S transition plan as determined by COUNTY.

9.68.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of CONTRACTOR under this Contract shall be maintained by CONTRACTOR in accordance with Section 9.0, sub-paragraph 9.59 Record Retention and Inspection/Audit Settlement.

9.69 TERMINATION FOR IMPROPER CONSIDERATION

9.69.1 COUNTY may, by written notice to CONTRACTOR, immediately terminate the right of CONTRACTOR to proceed under this Contract if it is found that consideration, in any form, was offered or given by CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to CONTRACTOR'S performance pursuant to this Contract. In the event of such termination, COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.

9.69.2 CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper

consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the COUNTY Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

9.69.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

9.70 TERMINATION FOR INSOLVENCY

9.70.1 The COUNTY may terminate this Contract forthwith in the event of the occurrence of any of the following:

9.70.1.1 Insolvency of the CONTRACTOR. The CONTRACTOR shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the CONTRACTOR is insolvent within the meaning of the Federal Bankruptcy Code;

9.70.1.2 The filing of a voluntary or involuntary petition regarding the CONTRACTOR under the Federal Bankruptcy Code;

9.70.1.3 The appointment of a Receiver or Trustee for the CONTRACTOR; or

9.70.1.4 The execution by the CONTRACTOR of a general assignment for the benefit of creditors.

9.70.2 The rights and remedies of the COUNTY provided in this subparagraph 9.70 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.71 TERMINATION FOR NON-ADHERENCE FEDERAL LOBBYING RESTRICTIONS

CONTRACTOR and each COUNTY lobbyist or COUNTY lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by CONTRACTOR, shall fully comply with COUNTY's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of CONTRACTOR or any COUNTY lobbyist or COUNTY lobbying firm retained by CONTRACTOR to fully comply with COUNTY's Lobbyist Ordinance shall constitute a material breach of this Contract upon which COUNTY may, in its sole discretion, immediately terminate or suspend this Contract.

9.72 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Contract during any of COUNTY'S future fiscal years unless and until the Federal and State governments, and the COUNTY'S Board of Supervisors appropriates funds for this Contract in their respective budgets for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR in writing of any such non-allocation of funds at the earliest possible date.

9.73 TERMINATION OF PROGRAM OR MODIFICATION

In the event the Program is terminated for any reason, COUNTY may terminate this Contract without further liability for services yet to be rendered. Further, should the Program(s) be modified so that funds are reduced and/or the scope of services is changed, COUNTY may modify this Contract accordingly. Termination or modification pursuant to this Section shall be effective on the date notice is posted to CONTRACTOR.

9.74 TIMELY COMPLETION

Time is of the essence in the provision and completion of the work provided to COUNTY as stipulated in this Contract, as is the timely conveyance of reporting deliverables to COUNTY, as also stipulated in this Contract.

9.75 TRANSITIONAL JOB OPPORTUNITES PREFERENCE PROGRAM

9.75.1 This Contract is subject to the provisions of the Los Angeles COUNTY's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles COUNTY Code.

9.75.2 CONTRACTOR shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

9.75.3 CONTRACTOR shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a COUNTY official or employee for

the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.

9.75.4 If CONTRACTOR has obtained COUNTY certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

9.75.4.1 Pay to the COUNTY any difference between the Contract amount and what the COUNTY's costs would have been if the Contract had been properly awarded;

9.75.4.2 In addition to the amount described in sub-paragraph 9.75.4.1 be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the Contract; and

9.75.4.3 Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of CONTRACTOR Non-responsibility and CONTRACTOR Debarment).

9.75.5 The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a

change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a Contract award.

9.76 USE OF COUNTY SEAL AND CSS DEPARTMENT LOGO

CONTRACTOR shall not use or display the official seal of the COUNTY or the logo of CSS on any of its letterheads or other communications with any debtor, or for any other reason, unless each form of usage has prior written approval of the Los Angeles COUNTY Board of Supervisors.

9.77 USE OF FUNDS

All uses of funds paid to CONTRACTOR and other financial transactions related to CONTRACTOR'S provision of Services under this Contract are subject to review and/or audit by CSS, COUNTY'S Auditor-Controller or its designee, the State of California, and the Federal government. In the event this Contract is subject to audit exceptions, CONTRACTOR shall pay to COUNTY the full amount of CONTRACTOR'S liability for such audit exceptions, as determined by CSS, upon demand by COUNTY.

9.78 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

9.79 WAIVER

No waiver by COUNTY of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of COUNTY to enforce at any time, or from time to time, any provision of

this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

Part I: Jury Service Program is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. No shame. No blame. No names.

Safely Surrendered *Baby Law*

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

(Rev. December 2006)

Have You Told Your Employees About
the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2006 are less than \$38,348 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees? You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2007.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2006 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2006 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2006 and owes no tax but is eligible for a credit of \$824, he or she must file a 2006 tax return to get the \$824 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2007 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

AUDITOR–CONTROLLER CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The following handbook is designed for inclusion in most contracts for services entered into by COUNTY departments. The purpose of the handbook is to establish accounting, internal control, financial reporting, and contract administration standards for organizations (CONTRACTORS) who contract with the COUNTY.

AUDITOR-CONTROLLER CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (CONTRACTOR), which contract with the Los Angeles County.

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all-inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR's accounting and financial reporting systems. The internal control standards described are those that apply to organizations with adequate staffing. Organizations with a smaller staff must attempt to comply with the intent of the standards and implement internal control systems appropriate to the size of their staff/organization. The CONTRACTOR's Subcontractors must also follow these standards unless otherwise stated in the Contract.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 BASIS OF ACCOUNTING

CONTRACTORS may elect to use either the cash basis or accrual basis method of accounting for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

1.1 The COUNTY recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

- ◆ Only accruals where cash will be disbursed within six months of the accrual date should be recorded.
 - ◆ Recorded accruals must be reversed in the subsequent accounting period.
- 1.2 If an agent elects to use the cash basis for recording financial transactions during the year:
- ◆ Necessary adjustments must be made to record the accruals at the beginning and the end of the contract.

- ◆ All computations, supporting records, and explanatory notes used in converting from cash basis to the accrual basis must be retained.

1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Agreement year to the extent goods and services are received during that Agreement year.

2.0 ACCOUNTING SYSTEM

Each agent shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The COUNTY recommends that a Payroll Register also be maintained. Postings to the General Ledger and Journals should be made on a monthly basis.

2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

Example:	DR	CR
Rent Expense	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal shall be maintained for recording all cash receipts (e.g., COUNTY warrants, contributions, interest income, etc.).

The Cash Receipts Journal shall contain (minimum requirements) the following column headings:

- Date
- Receipt number
- Cash debit columns
- Income credit columns for the following accounts:
 - COUNTY payments (one per funding source)
 - Contributions
 - Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)

- Description (Entries in the description column must specify the source of cash receipts.)

2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- Date
- Check number
- Cash (credit) column
- Expense account name
- Description

Note (1) Separate expense columns are recommended for salary expense and other recurring expense classifications for each program.

Note (2) Entries in the description column must specify the nature of the expense and the corresponding expense classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same expense classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed on audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. (See Section A.3.2 and B.2.4) for additional guidance.

2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for each COUNTY program's expenses and revenues.

2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- The COUNTY recommends that agents use the expense account titles on the monthly invoice submitted to the COUNTY.
- If the CONTRACTOR uses account titles, which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.

- CONTRACTOR must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

2.6 Payroll Register

The COUNTY recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Social Security Number
- Salary (hourly wage)
- Payment Record including:
 - Accrual period
 - Gross pay
 - Itemized payroll deductions
 - Net pay amount
 - Check Number

If a Payroll Register is not used, the information in (2.6) must be recorded in the cash disbursement journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

CONTRACTOR will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent CONTRACTORS.

2.7 CONTRACTOR Invoices

Each agent shall present an invoice to the COUNTY each calendar month to report the financial activity of the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the contract period. Invoices shall be prepared in the manner prescribed by the COUNTY's contracting department.

3.0 RECORDS

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR's accounting records or supporting documentation shall be immediately reported to the COUNTY.

3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR's Agreement.

3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts and canceled checks will be required to support an outlay of funds. Unsupported disbursements will be disallowed on audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs. Photocopied invoices or receipts, any internally generated documents (i.e., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases.

Supporting documentation is required for various types of expenditures as follows:

Payroll – time and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms.

Travel – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and mileage. Travel related to conferences should include conference literature detailing purpose of the conference. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum COUNTY's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel dates. Maximum reimbursable lodging amount is the maximum COUNTY reimbursement rate for employees for a single occupancy hotel accommodation.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, the CONTRACTOR may maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and purpose of each meal, and identification of the Participants.

3.3 Payments to Affiliated Organizations or Persons

CONTRACTOR shall not make payments to affiliated organizations or persons for program expenses (e.g., salaries, services, rent, etc.) that exceed the lower of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. COUNTY shall be solely responsible for the determination of affiliation unless otherwise allowed and approved by the State or federal agencies. Payments to affiliated organizations or persons will be disallowed on audit to the extent the payments exceed the lower of actual costs or the reasonable costs for such items.

3.4 Filing

All relevant supporting documentation for reported program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Invoices – vendor name and date
- Vouchers – numerically
- Receipts – chronologically
- Timecards – pay period and alphabetically

3.5 Referencing

Accounting transactions posted to the CONTRACTOR's books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on the CONTRACTOR's books be cross-referenced to the supporting documentation as follows:

- Invoices – vender name and date
- Checks – number
- Vouchers –number
- Revenue – receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

4.0 **DONATIONS AND OTHER SOURCES OF REVENUE**

Restricted donations and other sources of revenue earmarked specifically for the Contract/Agreement must be utilized on allowable contract expenditures.

5.0 **AUDITS**

The agent will make available for inspection and audit to COUNTY representatives, upon request, during working hours, during the duration of the contract/Agreement and for a period of five years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the COUNTY. All such books and records shall be maintained at a location within Los Angeles County.

5.1 Single Audit Requirements

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the respective Circular.

A copy of any Single Audit reports must be filed with the COUNTY within the timeframes prescribed by the applicable Circular.

6.0 SUBCONTRACTS

No CONTRACTOR shall subcontract services without the prior written consent of the COUNTY.

CONTRACTOR shall provide COUNTY with copies of all executed subcontracts and shall be responsible for the performance of their Subcontractors.

B. INTERNAL CONTROLS

Internal controls safeguard the CONTRACTOR's assets from misappropriations, misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

1.0 CASH RECEIPTS

1.1 Separate Fund or Cost Center

All contract/agreement revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

1.2 Deposits

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts. Checks shall be recorded on a check remittance log at the time of receipt.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable).

1.3 Separation of Duties

An employee who does not handle cash shall record all cash receipts.

1.4 Bank Reconciliation

Bank statements should be received and reconciled by someone with no cash handling, check writing, or bookkeeping functions. Monthly bank reconciliation should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliation should be signed by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 DISBURSEMENTS

2.1 General

All disbursements for expenditures, other than petty cash, shall be made by check.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature shall be required on all checks, unless otherwise specified in contract/agreement.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in contract/agreement.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent reuse or duplicate payments.

Disbursements without adequate supporting documentation will be disallowed on audit.

2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing of checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due, small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the COUNTY to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, etc., then documentation shall be considered as proper supporting documentation on a basis of reasonableness. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit cards used on behalf of the CONTRACTOR, should be limited to purchases where normal purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR's name must be adequately protected and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 TIMEKEEPING

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of the CONTRACTOR's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed on audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals.

Personnel and payroll records should include (but not be limited to) the following:

- Employee's authorized salary rate
- Employee information sheet
- Resume and/or application

- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license, etc.)
- Performance evaluations
- Criminal record clearance
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)

Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

Limitations on Positions and Salaries

The CONTRACTOR shall pay no salaries higher than those authorized in the contract/agreement, or the attachments thereto, except as proscribed by state or federal law.

If an employee serves in the same or dual capacities under more than one Agreement or program, the employee may not charge more than 100% of their time to the contracts/agreements or programs taken as a whole.

Salaried employees who work less than 40 hours per week shall be paid a salary that corresponds with the employee's work schedule.

The salary expense of salaried employees working on more than one Agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR will make no retroactive salary adjustment for any employee without written approval from the COUNTY.

Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, shall be approved by authorized persons independent of payroll functions.

All employee hires and terminations, or pay rate changes shall be approved in writing by authorized persons independent of payroll functions.

4.0 FIXED ASSETS

A fixed asset is defined as an article of nonexpendable tangible personal property having a useful life of more than two years. The COUNTY recommends all fixed assets with an acquisition cost of \$1,000 or more per unit be capitalized.

Acquisition cost means the net invoice unit price of an item, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

4.1 Acquisition

Fixed asset purchases shall be approved by the Agency's Board of Directors or their authorized representative.

4.2 Identification and Inventory

All fixed assets purchased with Contract/Agreement funds are to be used solely for the benefit of the Contract/Agreement and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and sources of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

4.3 Security

Physical security should be adequately maintained over fixed assets to prevent misuse and theft of COUNTY property.

4.4 Property Management

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all non-expandable property purchased, leased, or rented with Contract/Agreement funds.

The CONTRACTOR shall report promptly, in writing, to the COUNTY all cases of theft, loss, damage, or destruction of fixed assets. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and a copy of the law enforcement report.

CONTRACTOR shall dispose of or return to the COUNTY all fixed assets, in accordance with their Contract/Agreement.

5.0 BONDING

All officers, employees, and agents who handle cash or have access to the agent's funds shall be bonded.

C. **COST PRINCIPLES**

1.0 POLICY

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR providing services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR shall comply with the Agreement and the applicable OMB Circular. The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the COUNTY prior to incurring the cost.

1.2 Expenses Incurred Outside the Agreement Period

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination date.

1.3 Budget Limitation

Expenses may not exceed the maximum limits shown on the contract budget.

1.4 Unspent Funds

The COUNTY will determine the disposition of unspent program funds upon termination of the contract/agreement.

1.5 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 ALLOCATION OF COST POOLS

For CONTRACTORS that provide services in addition to the services required under contract/agreement, the CONTRACTOR shall allocate expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular, agencies shall define their allocable costs as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation related to the allocation of expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated costs be charged to an extent greater than 100% of actual costs or the same cost be charged both directly and indirectly.

2.1 Direct Costs

Direct costs are those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on employees' timecards and the payroll expense should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as Subcontractor payments)

2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example

Agency-wide indirect costs	\$250,000
Less: Capital expenditures	<u>10,000</u>
Allocable indirect costs	240,000

Total agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rental, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by COUNTY.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by COUNTY. The Cost Allocation Plan shall be prepared in accordance with COUNTY instructions and the applicable OMB Circular and include the following information:

1. CONTRACTOR general accounting policies:
 - Basis of accounting (cash or accrual)
 - Fiscal year
 - Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)
 - Indirect cost rate allocation base
2. Identify the CONTRACTOR's direct and indirect costs (by category) and describe the cost allocation methodology for each category.
3. Signature of CONTRACTOR management certifying the accuracy of the plan.

Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their Federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

D. UNALLOWABLE COSTS

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions
- Contributions and donations
- Fines and penalties
- Fundraising activities
- Interest expense (unless expressly allowed by Federal guidelines)
- Losses on other awards

E. OVERPAYMENTS

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the COUNTY and used as a basis for payments to the CONTRACTOR were inaccurate, COUNTY shall determine the total overpayment and require the CONTRACTOR to repay COUNTY. The COUNTY may withhold payments from CONTRACTOR's future payments for any amounts not returned to the COUNTY or credited to the Contract unless otherwise prohibited by State or federal regulations.

F. MISCELLANEOUS REQUIREMENTS

1.0 INSURANCE

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify COUNTY when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

2.0 ACTIVITY

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

FIXED ASSETS/EQUIPMENT PURCHASE REQUIREMENTS**I. FIXED ASSETS/PURCHASES**

Fixed assets: equipment with a value \geq \$5,000.

Non-fixed assets: equipment with a value $<$ \$5,000, but \geq \$500.

A. Procurement of Fixed Assets (Computer equipment/supplies, furniture, vehicles, etc.)

1. Equipment inventory requirements for items purchased with program funds are contained in the Fixed Assets Section of the Standard Terms and Conditions of the contract. All contractors must adhere to the applicable Code of Federal Regulations (CFR) and/or Federal Office of Management Budget (OMB) Circulars that include: CFR Title 29 Parts 95 and 97, and OMB Circulars A-21, A-87, A-102, A-110, A-122 and A-133.
2. If the program guidelines governing the contracted services indicate that equipment may be purchased, the County has established procurement guidelines that the Contractor must adhere to.
 - i. Prior to the purchase/acquisition of equipment items, approval must be obtained from the County. **No** equipment with a value over \$5,000 may be purchased without prior approval from the County and, as mandated by State regulations and guidelines, the County must receive prior approval from the funding source.
 - ii. The contractor must ensure that the cost of the equipment is reasonable and the item(s) is necessary for the provision of services contracted under this contract.
 - iii. All equipment purchased with program funds and provided to the Contractor must be used for the benefit of the program for which it was purchased and funded by.

B. Title

1. All equipment purchased in excess of \$500 will remain the property of the County until such time as the County approves final disposition of the equipment.
2. At all times titles to vehicles reside with the Federal Pass-through agency and remain the residual property of the Federal government.

II. INVENTORY REQUIREMENTS**A. Equipment/Inventory Tracking**

1. The County requires an updated list of all contractors' inventory and backup, support records (receipts of purchase, purchase orders, etc.) every two years or more frequently, if necessary. Contractors are to conduct a **physical inventory** of property and equipment and reconcile the results with the property records at least once every two years, or as necessary. The physical inventory should include all furniture, property, and equipment purchased with contract funds **IN EXCESS OF \$500**. Since Federal and State funding sources mandate all furniture, property, and equipment must be reported **AND** properly identified (tagged with County property program identification tags), your agency must complete and submit an Inventory Control Form (see Attachment XVI) that allows the inclusion of all required information (see II. A.2.). If your agency requires property program identification tags and/or Inventory Control Form, contact your County Analyst, who will

forward tags and a form to you. Tags must be affixed to applicable items in an area where they are visible or easily accessible to examine.

2. Agencies are required to maintain property records that include a description of the property, program tag number, serial number or other identification number, the funding source, the acquisition date, cost of the property, percentage of Federal participation in the cost of the property, property location, use and condition of the property, and any ultimate disposition data, including the date of disposal and sale price of the property, if applicable. Adequate maintenance procedures must be in place to keep property and equipment in good condition.
3. Agencies must have in place a control system to ensure adequate safeguards against loss, damage, or theft of the property. Any loss, damage, or theft must be investigated.
4. If no furniture, property, or equipment has been purchased in excess of \$500 for the program year, a letter must be submitted for each program year, which indicates no inventory was purchased for your Program(s). All property and equipment must be tagged and complete tag numbers included on the Inventory Control Form. This includes furniture, office equipment, computer equipment, and computer or office-related equipment (does not include computer keyboards, mice, etc.). Use a separate Inventory Control Form for each program OR columns that provide dual sources percentage or dollar splits. Applicable back up support documentation must be "in order" and attached to each Inventory Control Form or separated out by program if dual sources were used to purchase inventory.

III. INVENTORY DISPOSAL AND SALVAGE POLICIES AND PROCEDURES

- A. Federal and State regulations allow salvage and/or surplus items of equipment that are less than \$5,000 in the **aggregate** to be "sold or otherwise disposed of," with the exception that the following policies and procedures are in place and adhered to at the time of sale, transfer, and/or final disposition of the inventory:
 1. Contractors are required to obtain prior approval from Los Angeles County for inventory/salvage disposal or transfer, and have supporting documents for all purchases made with Federal, State, and/or County funds. Your office should be in receipt of purchase orders and/or receipts for all items purchased that are reflected on the inventory form(s);
 2. Inventory that is being transferred after the program (which the inventory was purchased for) has ended or contractor agency closure can only be transferred to another federally funded program. The inventory must be retagged with identification tags of the new program and a Inventory Control Form submitted which include old and new tag identification numbers;
 3. If inventory will be sold, proper sales procedures must be in place that provide for competition to the extent practicable and result in the highest possible return prior to any sale program inventory. Income from the sale of salvaged inventory becomes program income. Prior approval for the use of program income must be obtained from CSS in accordance with contract terms;
 4. Disposition records that include the description of the equipment, current market value, sale date, sale price, and dealer or auctioneer information must be kept for all sale transactions for a minimum of three years;
 5. Sales revenue information resulting from the sale of the inventory must be recorded and kept on file for a minimum of three years;

6. Contracted agencies may donate salvage inventory as long as the inventory has first been offered and declined by all other County departments and the donation does not create a conflict of interest for Los Angeles County or the contracted agency, i.e., agency employees, or employees' family members, businesses which employ or have a relationship with agency employees or employees' family members, businesses conducting business with the agency, and agency adult and/or youth participants, etc. **Agencies must obtain approval from the County to donate salvage equipment. Contractors must obtain (from the recipient of the donated item(s)) receipts acknowledging the donated item(s) and forward copies of the receipts to the County within two weeks of the donation.** It is recommended that agencies obtain a liability waiver for donated items;
7. All items being disposed of, transferred, sold, or donated must include a current fair-market value. One or more of the following methods can determine the value: Orion Computer Blue Book, professional/expert appraisal, public advertisement, industry quotation, etc.; and,
8. All inventory records (including purchase orders) must be retained for a minimum of three years from the date of acquisition through final disposition (salvage disposal) and be available for collection and/or viewing, if necessary. Additionally, all disposal records must be retained for a minimum of five years.
